**The AGA Olympia chapter and the Financial Management Advisory Council (FMAC) are excited to offer several free online trainings. There are only a limited number of participants allowed to register for each webinar session. We ask that if you register for a training that you commit to attending.**

**Participants that register for a training will be assigned a voucher code to log in and attend training at no cost. If you register and fail to log in, you will be placed on a waiting list for future trainings and will only be allowed to register if there are cancellations or available seats after registration has closed. We reserve the right to suspend participants who fail to attend trainings they have registered for from registering for future webinars.**

**Requests to attend for all events will close two working days prior to the start date, or when maximum attendance levels are reached, to allow for materials and access links to be emailed to participants. All authorized attendees must finalize their registration through AGA by 8 am the day of the event and receive the link to the training. Registrations after this time will not be allowed. If you are an authorized attendee and fail to complete registration you will be placed on a waiting list for future training and will only be allowed to register if there are cancellations or available seats after registration has closed.**

**Please remember there is a cost to AGA and FMAC for this webinar. If you are unable to attend, please notify us ASAP, but no later than 24 hours prior to the event so we can assign the voucher code to someone else. If you have already registered using the voucher code we will be unable to transfer the code and you may be place on the wait list for future trainings.**
