

Uniform Guidance and Grant Accounting

SPONSORED BY

and

Olympia Chapter

Financial Management Advisory Council

Navigating the Uniform Guidance 2026

Learning Objectives:

- Understand key provisions in the proposed 2026 revisions to the Uniform Guidance (2 CFR Part 200) and their potential organizational impacts.
- Gain insights into the role of grant data-standardization principles and their application to effective grant management.
- Learn how to leverage performance measures to demonstrate grant outcomes and program impact.
- Understand indirect costs, the importance of indirect costs in effectively managing grants and compliance considerations under the Uniform Guidance.
- Identify ways to strengthen internal controls that support grant compliance, reporting and accountability in an evolving regulatory environment.

Key Takeaways:

- A clear understanding of the proposed 2026 changes to the Uniform Guidance and practical considerations for preparing for potential implementation.
- Appreciation for how standardized data improves consistency, comparability and usefulness of grant-performance information.
- Practical approaches for using performance measures to demonstrate grant outcomes and program impact.
- A stronger understanding of indirect costs and their significance in federal grant financial management.
- Strategies for strengthening internal controls, compliance, reporting accuracy and accountability in grant management.

Manager Broward County
Government**

Attendance Guidelines and Information:

The AGA Olympia chapter is excited to offer several free online training courses throughout the year. There are only a limited number of participants allowed to register for each webinar session. We ask that if you register for a training, that you commit to attending.

Participants that register for a training will be assigned a voucher code to log in and attend training at no cost. If you register and fail to log in, you will be placed on a waiting list for future training courses and will only be allowed to register if there are cancellations or available seats after registration has closed. We reserve the right to suspend participants who fail to attend training courses they have registered for from registering for future webinars.

Requests for attendance for all events will close two working days prior to the start date of the event, or when maximum attendance levels are reached, to allow for materials and access links to be emailed to participants. All authorized attendees must finalize their registration through the Olympia Chapter of the AGA by 8am the day of the event and receive the link to the training. Registrations after this time will not be allowed. If you are an authorized attendee and fail to complete registration you will be placed on a waiting list for future training and will only be allowed to register if there are cancellations or available seats after registration has closed.

Please remember there is a cost to AGA for this webinar. If you are unable to attend, please notify us ASAP, but no later than 24 hours prior to the event so we can assign the voucher code to someone else. If you have already registered using the voucher code, we will be unable to transfer the code, and you may be placed on the waiting list for future training courses.

To register for trainings, please contact training.aga.olympia@gmail.com and provide your Name, Email Address, and the Training you would like to attend. Available voucher codes will be assigned on a first-come basis.
